

## We're working in your area

5 June 2026

Our water system works behind the scenes to protect the environment and the health of our communities. We need to work on it from time to time to keep things running reliably.

We will soon commence upgrade works on a section of the water main located on Montpelier Drive, The Oaks. This essential work will help increase drinking water capacity to meet current and forecasted demands in your area.

This work involves drilling sections of pipe underground. As we are replacing 1.4 kilometers of pipe, the work will be completed in stages.

Jooriland Road will be used to store and weld pipe, as well as essential equipment such as fittings and the drill rig when not in use. See the map over the page for our work area.

### Work hours

Our work hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

We won't work on Sundays or public holidays. If we need to work outside these hours, we'll notify you in advance.

### Work Schedule

Our construction work is expected to take around **five months** to complete.

We plan to start work on **Monday 15 June 2026** and expect to finish by **30 October 2026**, weather and ground conditions permitting.

Work will be staged across several months and we'll keep you updated on our progress.

### What else you need to know

- **This work may affect your water supply. If your property is affected, you will receive a separate notice.**
- Traffic control will be in place to safely direct vehicles and pedestrians around the work area.
- Our team will make every effort to minimise the impact of our work and will look at ways to keep noise to a minimum in consideration of residents.

To know more about the work, please call our Stakeholder and Community Team on **1300 653 817** or email [westregiondelivery@sydneywater.com.au](mailto:westregiondelivery@sydneywater.com.au)

Thank you for your cooperation during this work.

## Location of works: Montpelier Drive

## Pipe storage and compound location: Jooriland Road
