APPLICANT DECLARATION

I apply for the lodgement of the Security described in this Application. I understand that if the conditions/s of Consent or works for which the Security is held are not fully satisfied, Council will retain the Security and take action to order compliance with the development consent. This included completed or incomplete or deferred works within the required timeframe.

- Council is required to confirm that the Bond can be released. This involves an inspection of the work and review of the files.
- Should the work be unsatisfactory, Council may call on the Bond and undertake or rectify the works.
- Bonds can only be returned to the Payee.
- Bank Guarantees can only be returned to the issuing Organisation at the Branch indicated above.
- Council will undertake one inspection of the constructed works to identify any outstanding or unsatisfactory items. Upon written notification from the Applicant that such matters have been completed /rectified, one further inspection will be undertaken to verify such. Should Council determine from this inspection that works are still outstanding/unsatisfactory and subsequent inspections will be required, the results of such inspections will not be provided until the required inspection fees have been paid and the receipt number provided to the Inspection Officer.
- Prior to the Bond being returned ensure the following items have been completed;
 - Final Inspection by Contractor to ensure defects are identified.
 - Final Inspection date booked with Council.
 - Description of works done in bond period.
 - GPT Cleaned – maintenance report dates.
 - Tree Maintenance – maintenance report dates.
